Honorable Board of Supervisors
County of Alameda
1221 Oak Street, Suite 536
Oakland, CA 94612

SUBJECT: APPROVE A SECOND AMENDMENT TO THE STANDARD SERVICES AGREEMENT WITH ALAMEDA COUNTY COMMUNITY FOOD BANK FOR CALFRESH OUTREACH AND APPLICATION ASSISTANCE FOR THE MARKETING AND ADVERTISING OF MEDI-CAL SERVICES.

Dear Board Members:

RECOMMENDATIONS:

- A. Approve a Second Amendment to the Standard Services Agreement (Procurement Contract No. 27203) with Alameda County Community Food Bank (Principal: Regi Young; Location: Oakland) for CalFresh Outreach and Application Assistance marketing and advertising, with no change to the contract term 7/1/2024 - 6/30/2026; increasing the total amount from \$5,127,045 to \$5,429,837 (\$302,792 increase); and
- B. Adopt a Resolution to waive the County's competitive procurement process with request to this Agreement.

DISCUSSION/SUMMARY:

On 10/22/2024 (Item No. 2), your Board approved a Standard Services Agreement (SSA) with Alameda County Community Food Bank (ACCFB) to provide CalFresh Outreach and Application Assistance service for the period of 7/1/2024-6/30/2026, in the amount of \$4,258,657. On 7/22/2025 (Item No. 10), your Board approved a First Amendment to the SSA authorizing ACCFB to provide marketing and advertising services during CalFresh Awareness Month Campaign, with no change to the contract term.

This letter request action by your Board to approve a Second Amendment to the SSA with ACCFB to increase the contract amount by \$302,792, with no change to the contract term of July 1, 2024 through June 30, 2026, to support continued CalFresh Outreach and Application Assistance activities, including marketing efforts that also promote Medi-Cal enrollment and retention.

The additional funding will support continuation of the Medi-Cal/CalFresh Marketing Campaign, which is designed to increase dual enrollment and retention in both programs. The campaign will also inform residents about upcoming program changes resulting from the Fiscal Year (FY) 2025–26 California Budget and H.R. 1 – One Big Beautiful Bill Act, helping ensure Alameda County residents remain aware of their eligibility for healthcare and food assistance benefits. These outreach efforts are intended to improve program access and support eligible residents in obtaining critical health and nutrition resources.

The campaign is part of the CalFresh and Medi-Cal Outreach, Enrollment, and Renewal Assistance Project (Health Navigators Project), which aims to increase the number of eligible households enrolled in both programs. To support these efforts, the Alameda County Social Services Agency (ACSSA) is partnering with ACCFB to implement a multimedia outreach campaign utilizing digital, print, radio, and television platforms, with targeted messaging designed to reach the County's most vulnerable populations.

Campaign activities include online banners, newsletters, social media posts, video advertisements, posters, transit shelter advertisements, television and radio placements, and print advertisements, distributed in Alameda County's threshold languages to ensure accessibility for diverse communities.

It is projected that extending this campaign will reach an estimated unduplicated audience of approximately 930,000 individuals. During FY 2024–25, the campaign generated approximately 7 million impressions per active month, demonstrating significant reach among eligible residents. These outreach efforts are expected to increase awareness of CalFresh and Medi-Cal eligibility, support enrollment among eligible households, and help reduce barriers to accessing food and healthcare benefits for Alameda County residents.

SELECTION CRITERIA/PROCESS:

ACCFB previously received funding through the Approval-in-Principle (AIP) annual contract renewal process for CalFresh outreach activities. Your Board is now being asked to adopt a resolution waiving the County's competitive bidding requirements for this amendment because ACCFB is uniquely qualified to provide these services.

ACCFB has more than 35 years of experience conducting CalFresh outreach and application assistance in Alameda County and maintains longstanding partnerships with community-based organizations, food distribution sites, and trusted community networks that serve low-income residents. These partnerships enable ACCFB to reach populations that are historically underserved or face significant barriers to accessing public benefits.

The organization's existing infrastructure, multilingual outreach capacity, and integrated service model position ACCFB to implement CalFresh and Medi-Cal outreach and marketing activities efficiently and effectively. Utilizing an established provider ensures continuity of services and avoids disruption to ongoing outreach efforts.

On June 6, 2025, the Auditor Controller's Office of Contract Compliance and Reporting approved Federal Grant Funds Small Local Emerging Business (SLEB) Waiver #F-2507-A for this agreement, covering the term of 7/1/2024 - 6/30/2026. On December 30, 2025, the Auditor Controller's Office of Contract Compliance and Reporting approved an updated Federal Grant Funds SLEB Waiver #F2507-A1 to reflect the increased contract amount included in this amendment.

ACCFB is a local nonprofit community-based organization that provides direct services to County residents and is therefore exempt from Alameda County's Small, Local, and Emerging Business (SLEB) requirements.

FINANCING:

Funding for this contract is provided through CalFresh Medi-Cal and the County General Fund, which is included in the approved ACSSA FY 2025-26 Approved Budget. Approval of this recommendation will have no impact on net County cost.

VISION 2036 GOALS:

CalFresh Outreach and Application assistance services meet the 10X goal pathways to meet the 10X goal pathways to **Eliminate Homelessness, Employment for All, and Eliminate Poverty & Hunger** in support of our shared visions of **Safe & Livable Communities, Thriving & Resilient Populations**, and **Prosperous & Vibrant Economy**.

RESIDENTS**

RESOLUTION NUMBER R-2026_____

WHEREAS, recent estimates indicate that approximately 12–13 percent of Alameda County residents, roughly 200,000 individuals, experience food insecurity each year, underscoring the ongoing need for nutrition assistance programs; and

WHEREAS, adequate nutrition is essential for healthy development, including brain development and learning beginning in early childhood; and

WHEREAS, barriers such as limited income, limited English proficiency, and low literacy may prevent eligible individuals from accessing available nutrition assistance programs; and

WHEREAS, the Alameda County Community Food Bank provides outreach, education, and application assistance to help eligible low-income individuals and families apply for and receive benefits through the CalFresh program; and

WHEREAS, the Alameda County Community Food Bank, established in 1985, has provided nutrition assistance outreach, including CalFresh enrollment support, to Alameda County residents for more than three decades; and

WHEREAS, the Alameda County Community Food Bank has developed specialized expertise, established community partnerships, and a countywide network of enrollment sites and community-based organizations that support effective CalFresh outreach and enrollment assistance to eligible Alameda County residents; and

WHEREAS, based on the Alameda County Community Food Bank's demonstrated expertise, established community partnerships, and longstanding role in providing CalFresh outreach and enrollment services in Alameda County, the Board of Supervisors finds that the organization is uniquely qualified to provide these services and that the public interest would not be served by conducting a competitive solicitation.

NOW, THEREFORE BE IT RESOLVED as follows:

1. The findings stated in the recitals to this resolution are restated in full and adopted by reference.
2. The requirements in Administrative Code Sections 4.012.010 to .020 for the solicitation of bids are hereby waived for the selection of the Alameda County Community Food Bank to provide CalFresh Outreach and Application Assistance for residents of the County of Alameda.

AUDIT REQUIREMENTS

The County contracts with various organizations to carry out programs mandated by the Federal and State governments or sponsored by the Board of Supervisors. Under the Single Audit Act Amendments of 1996 (31 U.S.C.A. §§ 7501-7507) and Board policy, the County has the responsibility to determine whether organizations receiving funds through the County have spent them in accordance with applicable laws, regulations, contract terms, and grant agreements. To this end, effective with the first fiscal year beginning on and after December 26, 2014, the following are required.

I. AUDIT REQUIREMENTS

A. Funds from Federal Sources:

1. Non-Federal entities which are determined to be subrecipients by the supervising department according to 2 CFR § 200.331 and which expend annual Federal awards in the amount specified in 2 CFR § 200.501 are required to have a single audit performed in accordance with 2 CFR § 200.514.
2. When a non-Federal entity expends annual Federal awards in the amount specified in 2 CFR § 200.501(a), currently \$1,000,000, under only one Federal program (excluding R&D) and the Federal program's statutes, regulations, or terms and conditions of the Federal award do not require a financial statement audit of the auditee, the non-Federal entity may elect to have a program-specific audit conducted in accordance with 2 CFR § 200.507 (Program Specific Audits).
3. Non-Federal entities which expend annual Federal awards less than the amount specified in 2 CFR § 200.501(e), currently \$1,000,000, are exempt from the single audit requirements for that year except that the County may require a limited-scope audit in accordance with 2 CFR § 200.503.

B. Funds from All Sources:

Non-Federal entities which expend annual funds from any source (Federal, State, County, etc.) through the County in an amount of:

1. \$100,000 or more must have a financial audit in accordance with the U.S. Comptroller General's Generally Accepted Government Auditing Standards (GAGAS) covering all County programs.

Procurement Contract No. 27203

2. Less than \$100,000 are exempt from these audit requirements except as otherwise noted in the contract.

Non-Federal entities that are required to have or choose to do a single audit in accordance with 2 CFR Subpart F, Audit Requirements are not required to have a financial audit in the same year. However, Non-Federal entities that are required to have a financial audit may also be required to have a limited-scope audit in the same year.

C. General Requirements for All Audits:

1. All audits must be conducted in accordance with Generally Accepted Government Auditing Standards issued by the Comptroller General of the United States (GAGAS).
2. All audits must be conducted annually, except for biennial audits authorized by 2 CFR § 200.504 and where specifically allowed otherwise by laws, regulations, or County policy.
3. The audit report must contain a separate schedule that identifies all funds received from or passed through the County that is covered by the audit. County programs must be identified by contract number, contract amount, contract period, and amount expended during the fiscal year by funding source. An exhibit number must be included when applicable.
4. If a funding source has more stringent and specific audit requirements, these requirements must prevail over those described above.

II. AUDIT REPORTS

A. For Single Audits

1. Within the earlier of 30 calendar days after receipt of the auditor's report or nine months after the end of the audit period, the auditee must electronically submit to the Federal Audit Clearinghouse (FAC) the data collection form described in 2 CFR § 200.512(b) and the reporting package described in 2 CFR § 200.512(c). The auditee and auditors must ensure that the reporting package does not include protected personally identifiable information. The FAC will make the reporting package and the data collection form available on a web site and all Federal agencies, pass-through entities and others interested in a reporting package and data collection form must obtain it by accessing the FAC.

Procurement Contract No. 27203

As required by 2 CFR § 200.512(a)(2), unless restricted by Federal statutes or regulations, the auditee must make copies available for public inspection.

2. A notice of the audit report issuance along with a copy of the management letter with its corresponding response should be sent to the County supervising department within ten calendar days after it is submitted to the FAC. The County supervising department is responsible for forwarding a copy of the audit report, management letter, and corresponding responses to the County Auditor within one week of receipt.

B. For Audits other than Single Audits

A copy of the audit report package, including all attachments and any management letter with its corresponding response, should be sent to the County supervising department within six months after the end of the audit year, or other time frame as specified by the department. The County supervising department is responsible for forwarding a copy of the audit report package to the County Auditor within one week of receipt.

III. AUDIT RESOLUTION

Within 30 days of issuance of the audit report, the entity must submit to its County supervising department a corrective action plan consistent with 2 CFR § 200.511(c) to address each audit finding included in the current year auditor's report. Questioned costs and disallowed costs must be resolved according to procedures established by the County in the Contract Administration Manual. The County supervising department will follow up on the implementation of the corrective action plan as it pertains to County programs.

IV. ADDITIONAL AUDIT WORK

The County, the State, or Federal agencies may conduct additional audits or reviews to carry out their regulatory responsibilities. To the extent possible, these audits and reviews will rely on the audit work already performed under the audit requirements listed above.

ADDITIONAL CONTRACT PROVISIONS – FEDERAL PROVISION

Funds used for payment of this Contract may be from or subject to reimbursement by state and/or federal funds. Some of these funding sources require additional contractual obligations and County and Contractor hereby agree to the following additional terms and conditions. The parties agree to each of these terms for reasons including, but not limited to, meeting all contracting requirements as set forth in 2 C.F.R. § 200.326 and 2 C.F.R. Part 200, Appendix II. These terms supplement the General Terms and Conditions.

I. General Provisions

- A. **Remedies.** In the event of a breach by Contractor of any term or provision of this Agreement, the County shall have the right to pursue all available remedies at law or equity, including recovery of damages and specific performance of this Agreement. The parties hereto agree that monetary damages would not provide adequate compensation for any losses incurred by reason of a breach by Contractor of any of the provisions of this Agreement and hereby further agrees that, in the event of any action for specific performance in respect of such breach, Contractor shall waive the defense that a remedy at law would be adequate. Except as expressly provided elsewhere in this Agreement, each party's rights and remedies under this Agreement are cumulative and in addition to, not exclusive of or in substitution for, any rights or remedies otherwise available to that party.
- B. **Termination.** The County may suspend, terminate, or abandon the execution of any work by the Contractor under this Contract with or without cause at any time upon giving the Contractor prior written notice. In the event that the County should abandon, terminate, or suspend the Contractor's work, the Contractor shall be entitled to payment for services provided hereunder prior to the effective date of said suspension, termination, or abandonment, but in no event shall Contractor be entitled to more than the not to exceed amount of the Contract, or if applicable, the portion of the Contract being terminated.
- C. **Equal Employment Opportunity.** During the performance of this contract, Contractor agrees as follows:
 1. The Contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The Contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following: Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Contractor agrees to post in conspicuous places,

**Procurement Contract No. 27203**

available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

2. The Contractor will, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.
3. The Contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.
4. The Contractor will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the labor union or workers' representatives of the contractor's commitments under section 202 of Executive Order 11246 of September 24, 1965 and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
5. The Contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.
6. The Contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to their books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.
7. In the event of the Contractor's noncompliance with the nondiscrimination clauses of this Contract or with any of the said rules, regulations, or orders, this Contract may be canceled, terminated, or suspended in whole or in part and the Contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as

**Procurement Contract No. 27203**

provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

8. The Contractor will include the portion of the sentence immediately preceding paragraph 1 and the provisions of paragraphs 1 through 8 in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The Contractor will take such action with respect to any subcontract or purchase order as the County may direct as a means of enforcing such provisions, including sanctions for noncompliance: Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States.

Contractor further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: Provided, that if the Contractor so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract.

The Contractor agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

The Contractor further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, the Contractor agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in

part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the applicant under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such Contractor and refer the case to the Department of Justice for appropriate legal proceedings.

EXHIBIT H
COUNTY OF ALAMEDA
THE IRAN CONTRACTING ACT (ICA) OF 2010

The California Legislature adopted the Iran Contracting Act (ICA) to respond to policies of Iran in a uniform fashion (PCC § 2201(q)). The ICA prohibits persons engaged in investment activities in Iran from bidding on, submitting proposals for, or entering into or renewing contracts with public entities for goods and services of one million dollars (\$1,000,000) or more (PCC § 2203(a)). A person who “engages in investment activities in Iran” is defined in either of two ways:

1. The person provides goods or services of twenty million dollars (\$20,000,000) or more in the energy sector of Iran, including a person that provides oil or liquefied natural gas tankers, or products used to construct or maintain pipelines used to transport oil or liquefied natural gas, for the energy sector of Iran; or
2. The person is a financial institution (as that term is defined in 50 U.S.C. § 1701) that extends twenty million dollars (\$20,000,000) or more in credit to another person, for 45 days or more, if that person will use the credit to provide goods or services in the energy sector in Iran and is identified on a list created by the California Department of General Services (DGS) pursuant to PCC § 2201(b) as a person engaging in the investment activities described in paragraph 1 above.

By signing below, I hereby certify that as of the time of bidding or proposing for a new contract or renewal of an existing contract, neither I nor the company I own or work for are identified on the DGS list of ineligible persons and neither I nor the company I own or work for are engaged in investment activities in Iran in violation of the Iran Contracting Act of 2010.

If either I or the company I own or work for are ineligible to bid or submit a proposal or to renew a contract, but I believe I or it qualifies for an exception listed in PCC § 2202(c), I have described in detail the nature of the exception:
